

## Intellectual Property Agreement

This Intellectual Property Contribution and Assignment Agreement is made as of 9<sup>th</sup> November 2020 by and between the members of the Cyber Chasers (“DSA”), Agapitus Iboro ( Tester), Alex Abraham (Lead Programmer), Shababa Kamreen (Documentation expert), Pierre-Louis Sebastien (Data modeler), and our client Dr. Cengiz Gunay.

The Employee (Students) agrees to assign to the Employer (Client) 25% of rights to this project including, title, and interest created or discovered during their cooperation. Intellectual Property includes, but is not limited to, algorithms, code, concepts, developments, designs, discoveries, ideas, formulas, improvements, inventions, processes, software, trademarks, and trade secrets. Intellectual Property also includes the tangible embodiments (e.g. – drawings, notes) of any intangible items.

Upon termination of this Agreement (end of semester), the Employer (Client) agrees to immediately return all tangible embodiments of the Intellectual Property to employees (Students), including but not limited to data, drawings, documents, and notes developed during their employment (course of the semester). The Employer (Client) will not make copies or attempt to recreate the tangible embodiments.
